

## **"We Are The World"**

Music and Lyrics by Michael Jackson and Lionel Ritchie  
CCLI # 20007620

There comes a time when we heed a certain call  
When the world must come together as one

As God has shown us by turning stone to bread  
so we all must lend a helping hand

We are the world,  
We are the children  
We are the ones who make a brighter day  
So, let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me

We are the world,  
We are the children  
We are the ones who make a brighter day  
So, let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me

it's true we'll make a better day  
Just you and me
